

**BEFORE THE HON'BLE NATIONAL GREEN TRIBUNAL,
SOUTHERN ZONE, CHENNAI**

O.A. No. 12 OF 2020 (SZ)

MOMO OF CORRECTION

A detailed status report regarding the removal of demolition waste of the high rises within the local limits of Maradu Municipality, Ernakulam District, Kerala has already been presented to this Tribunal on 12.02.2020.

However, after report has been despatched, certain typographical mistakes were noticed in the entries 2, 3 and 4 under the Sub-heading '*Major short comings in brief*' at page 8 of the report. Hence this Memo of Correction.

From the discussion, preceding the aforesaid sub-heading, it can be seen that the mistakes are only accidental. The matter is highly regretted.

Therefore, entry 2, 3 and 4 under the sub-heading 'Major short comings in brief' at page 8 of the report dated 12.02.2020 may be read as under.

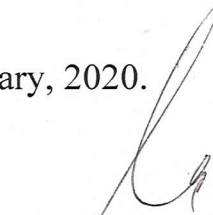

“ 2. In the updated status of removal of waste as on 10.2.2020, submitted by the Municipality, the *data* given are vague and without specific details.

3. Wind breakers around the sites, as mandated by the statute, are *not* provided.

4. *Sprinkling* systems, *as mandated* by the statute, are not provided”

This correction memo may be taken as the part of the Report dated 12.2.2020 already presented.

Dated this the 13th day of February, 2020.
