The startup meeting of the District Level Monitoring Committee (DLMC for short) commenced at 3.30 p.m. at Govt. Guest House, Wayanad. The meeting was Chaired by Hon'ble Justice A.V. Ramakrishna Pillai, (former Judge, High Court of Kerala) Chairman, State Level Monitoring Committee (SLMC for short). The Chairman, SLMC welcomed all the members of the DLMC and other participants. In the introductory remarks the Chairman, SLMC explained the origin, constitution and the purpose of constitution of the SLMC and the DLMC.

Hon'ble Justice A.V. Ramakrishna Pillai, Chairman, SLMC:

The Chairman brought the attention of the Members of the DLMC to the following directions of the Hon'ble National Green Tribunal in the order dated 25.4.2019 in O.A.No.606/2018 and insisted the need for circulating those directions among all the officials concerned, especially to the Secretaries of the various local bodies in the District for the implementation of those directions as well as the various provisions of the Environmental legislations in letter and spirit in a time bound manner. The directions are as under.

- i. At least three cities and three towns in the State and at least three Villages in every District of the State may be identified within two weeks and earnest and demonstrable endeavor be made to make them fully compliant in respect of environmental norms within six months. Remaining State may be made fully compliant within one year.
- ii. A quarterly report be furnished by the Chief Secretary, every three months. First such report shall be furnished by July 30, 2019.
- iii. The Chief Secretary may personally monitor the progress, at least once in a month, with all the District Magistrates.
- iv. The District Magistrates may monitor the status of compliance of environmental norms, at least once in two weeks.
- v. The District Magistrates or other Officers may be imparted requisite training.
- vi. Estimate of value of environmental degradation and cost of restoration be prepared and compensation be planned and recovered from polluters for environmental restoration and restitution on that basis.

- vii. Performance audit of functioning of all regulatory bodies may be got conducted and remedial measures be taken, within six months.
- viii. Introduction of a policy of giving ranking, based on performance on the subject of environment and giving of rewards or other incentives on that basis to individual areas, localities, institutions or individuals may be considered. This may also include encouraging students or other citizens significantly contributing to the cause of environment. The best practices may be evolved, if necessary, in the light of experiences on the subject. This may help in educating and involving public at large which may help in enhancing of environmental laws.
- ix. The Chief Secretary may remain present in person before the Tribunal with the status of compliance in respect of various issues mentioned in para 22 as well as any other issues discussed in the above order on 06.11.2019. It is made clear that Chief Secretary may not delegate the above function and the further requirement of appearance before this Tribunal to anyone else. However, it will be open to him to change the date, by advance intimation by e-mail at ngt.filing@gmail.com to adjust their convenience.

It was also informed by the Chairman that the villages of Meenangadi, Muttill and Vythiri in Wayanad districts are identified as Model Local Bodies which are to be made fully compliant in respect of environmental norms within six months and other local bodies within one year from the date of the aforesaid order. It was also informed that lethargy of local bodies in complying with the directions would be viewed seriously and the Secretary of such local bodies would be held liable for violations.

The Chairman SLMC informed the meeting that the Hon'ble National Green Tribunal in the order dated 15.7.2017 in O.A.No.710/2017 and connected cases has directed that a District Environmental Plan has to be operated by the District Committee chaired and monitored by the District Collector (District Magistrate). Such Environmental Plans and Constitution of District Committee be placed on the website of Districts concerned and the monthly report of monitoring by the District Magistrate be furnished to the Chief Secretary and be placed on the website of the

District. The same shall be kept on such websites for a period of one year. This shall be made operative from 1.08.2019.

It was also suggested by the Chairman, SLMC that all local bodies shall conduct meetings of the governing bodies so as to ensure that all projects are implemented smoothly.

Smt. Nicy Rahman, District Co-ordinator, Suchitwa Mission: It was pointed out that a common septage treatment plant has been provided by the Kalpatta Municipality for catering the entire district.

It was also informed that sixteen panchayaths of out of twenty three in the district have been provided with MCF. The projects of the rest of the panchayaths are under processing. Plastic shredding units are already provided in two block panchayaths and it is planned to provide in the remaining two block panchayaths. Presently 10% of the shredded plastics are being used for road tarring. It was pointed out that the PWD, giving a wrong interpretation to a direction from LSGD, has limited the use of shredded plastics in tarring to 10% of the required quantity.

The Chairman, SLMC informed that the usage of plastic shall not be limited to 10% as the percentage fixed in the order of the LSGD is barest minimum.

Dr. Noona Marya K.M., Deputy DMO: All the hospitals in the district are facing solid waste management issues.

Sri. B. K. Sudheer Kishan, District Co-Ordinator, Haritha Keralam Mission: The wastes collected during the flood time last year, was successfully disposed of through Clean Kerala Company. But the waste collected during the pre-monsoon cleaning time are kept in local bodies, unattended by the Clean Kerala Company.

The SLMC Chairman informed that the Clean Kerala Company has assured that waste movement shall be completed by the end of August 2019.

Sri. Ranjith Kumar P., DFO, Forest Department: The solid wastes including from auditoriums and the septage wastes were seen dumped to the forest land in vehicles/tankers.

Smt. Sunitha K. P., Secretary, District Legal Services Authority: Chicken waste dumping in road sides is a major issue in the district. E- waste, plastic wastes are not being collected. Shredding machines should be installed in atleast 4 blocks.

Sri. Santhosh Kumar, Senior Superintendent, Representative of DDP: Bottle booths have been installed in Kaniyapatta panchayath.

Sri. M. D. Sunil, Circle Inspector: Cases are registered regarding unauthorized dumping of wastes.

The following resolutions were taken in the meeting.

1. The District Collector (District Magistrate) shall monitor the progress and status of compliance of environmental norms by all concerned especially the local bodies in the district at least once in two weeks. The District Collector has to personally oversee the waste management activities in the district.
2. After collecting data through the aforesaid monitoring, the DLMC shall be convened once in three weeks for reviewing the progress and for suggesting remedial measures to achieve better results.
3. Monthly progress report on the basis of the above shall be prepared and the same shall be forwarded to the Chief Secretary with a copy to SLMC in the e-mail ID slmckerala2019@gmail.com, so that the details in the said report could be made use of for preparing the quarterly report to be submitted before the Hon'ble National Green Tribunal.
4. Training programs shall be arranged for the Secretaries of the Local Bodies in the District on environmental laws with special references to their powers and duties as well as the technical aspects on the subject. The training programs shall be arranged jointly by the District Legal Services Authority, Pollution Control Board, Suchithwa Mission and Haritha Keralam Mission. The copy of presentation included in the notes circulated by the Chairman, SLMC among the Members of the Committee can be made use of for guidance in the matter.

5. Awareness programs shall be arranged in educational institutions in the district by the District Legal Services Authority with the assistance of Education Department, Haritha Keralam Mission and Suchithwa Mission.
6. The District Legal Services Authority shall conduct social audit for assessing the problems faced by the public on issues of environmental protection and also for assessing the final result of each activity undertaken by the DLMC.
7. Cleaning programs shall be undertaken by the local authority not only during pre-monsoon season but also throughout the year.
8. Door to door collection of segregated waste shall be arranged by the local bodies within their limit. The local bodies can insist for payment of user fee by the waste generators. The possibility of realizing user fee along with property tax from those who are refusing to pay the same can be explored. However, people below poverty line may be exempted from paying user fee.
9. Local bodies shall install waste segregation plants within their local limits. They have to make sure that proper working condition and personal protective devices are available to the cleaning workers.
10. Local bodies shall ensure that industrial/commercial waste as well wastes from hotels and restaurants are not being dumped into drains and water bodies.
11. Local bodies shall install cameras to identify persons dumping waste in public places and water bodies. Environmental degradation shall be assessed and compensation shall be levied from culprits.
12. As plastic wastes from industrial units are more or less homogeneous in nature, they shall be collected separately and sent to units for shredding or recycling.
13. Major commercial establishment/industrial units shall be directed to have their own plastic shredding units as it requires only a small area for operation.
14. The land for providing common treatment facility for bio-medical and solid waste as well as the land for a common rendering plant for poultry waste shall be identified by the District Administration with the help of local authority. District administration shall provide high priority for indentifying land for establishing common treatment facilities for solid waste management, waste

water treatment, bio-medical waste as well as a common rendering plant for animal/poultry waste.

15. Directorate of Panchayath and Urban Directors shall collect details with respect to status of waste handling in village and urban local bodies respectively. An action plan for faster improvement and strict compliance of Solid Waste Management Rule, 2016 shall be prepared.
16. The Police Department shall line the department in action, in the event of report of unauthorized waste dumping. In such cases, the copy of the FIR shall be forwarded to the District Legal Services Authority and the Kerala State Pollution Control Board so as to facilitate realization of compensation from the violators on 'polluter pays' principle.
17. The value of environmental degradation on account of violation of environmental laws shall be estimated and cost of restoration shall be assessed and compensation shall be fixed by the Pollution Control Board and the same shall be recovered from the violators for restoration and restitution. The District Legal Services Authority shall render necessary assistance in assessing the damage and fixing the compensation.
18. Sanitation facilities are to be improved in hospital premises. The handling and disposal of food waste in hospitals can be improved if the sources of generation of wastes are controlled. If arrangements are made in the hospital itself for the preparation of food for patients and bystanders according to specified standards with the help of public support, food from outside can be curtailed gradually as experienced in District Hospital, Ernakulam. However, proper preparation and distribution of food to the patients and bystanders as well as the continuity of the same shall be ensured before enforcing total ban on food from outside.
19. Successful models like Taluk Head Quarters Hospital, Punalur, Primary Health Centre, Kadirur, Community Health Centre, Keechery, Primary Health Centre, Thrikkakkara as well as District Hospital, Ernakulam can be adopted by similar institutions in the district.
20. The Forest Department shall ensure that concrete wastes, electronic wastes, liquor bottles, etc., are not dumped or littered in forest areas. Necessary

surveillance shall be arranged for this purpose. If any such dumping in forest areas are noticed it shall be informed to the DLMC so that immediate remedial measures can be taken.

21. All the forest check posts in the District shall be directed to closely monitor the loaded heavy vehicles coming to the forest area from outside, to ensure that no waste from outside is transmitted to forest area.
22. For the proper implementation of various activities the DLMC shall be expanded adding the following.
